Lampstand: the keys

Keep by the projection computer

Nothing reaches the screen until you send it. If anything goes wrong: . blank first, think second.

PRESENT: RUNNING THE SERVICE

Space →	Next slide (also a deck's next build)
←	Previous slide
. full stop	Blank the screen. Press again to bring the slide back
⇧ ↓ ⇧ ↑ then Enter	Choose another item (only you see it), then start it
1 … 9	Jump to that verse of the song on air
C B P T I E	Chorus, bridge, pre-chorus, tag, intro, ending
/	Quick add a song or a reading (type *Rom 8:28*). ⇧ Enter shows it now
Click a card	Shows that slide straight away. Red **LIVE** is on air; gold **NEXT** is the next slide
F	Hide Library & controls to see only the slides; Blank stays in reach. F or Esc brings it back

LIBRARY & CONTROLS, ON THE RIGHT

Show	The slide
Idle	The idle screen, for gaps
Blank	Black screen
Clear › Text	Hide the words, keep the picture
Close service	When the service is over

MOVING AROUND

Ctrl 1	Plan
Ctrl 2	Present
Ctrl \	Switch between them
O	OBS controls, when connected

On a Mac use ⌘ for Ctrl. A clicker's buttons are Next, Previous and Blank.

SUNDAY, STEP BY STEP

1. Screens on. Open Lampstand.
2. Present: open the service for live.
3. The idle screen shows until you start.
4. Space through the service.
5. Close service at the end.

THE FIVE SURPRISES

1. Sung again: 1…9 or C
2. Order changes: ⇧ ↓ Enter
3. Unplanned reading: / then ⇧ Enter
4. Updated deck: choose the new one, Enter
5. Anything wrong: .

PHONES AND TABLETS

Remotes › Connect a phone or tablet. **Run the service**: a helper runs it all. **Speaker**: one item's slides, Next and Back only. Setup › Devices › Revoke.

Practise any time: Present lists Training Sessions 0, 1 and 2, built into Lampstand. Their videos download the first time; then they work offline. Help › Keys has this list too.
